AVAILABLE LIFECYCLE SERVICES™

We combine our extensive electrical and mechanical power transmission product knowledge and our vast application experience with our diagnostic tools and troubleshooting expertise to provide complete technical service to our customers.

**DIAGNOSTICS**
Utilize advanced technologies to measure vibration, strain, temperature, power, current, voltage, etc., to determine existing state and measure the effects of changes in products or processes.

**EDUCATION**
On-site, off-site, on-line and/or in-person training to help customers understand products for better application, installation, use, and maintenance to affect their return on investment.

**DESIGN**
Assist customers in reviewing application needs, selecting products, and providing certified layouts and Bills of Material.

**INSTALLATION**
Provide installation and commissioning of Regal® Power Transmission Solutions products.

**MONITORING**
Using proprietary algorithms, Lifecycle Services monitors the performance – reliability – operations of customer equipment to improve total cost of ownership.

**REPAIR**
Repair, rebuild or refurbish damaged or worn power transmission products.

APPLICATION CONSIDERATIONS

The proper selection and application of power transmission products and components, including the related area of product safety, is the responsibility of the customer. Operating and performance requirements and potential associated issues will vary appreciably depending upon the use and application of such products and components. The scope of the technical and application information included in this publication is necessarily limited. Unusual operating environments and conditions, lubrication requirements, loading supports, and other factors can materially affect the application and operating results of the products and components and the customer should carefully review its requirements. Any technical advice or review furnished by Regal Beloit America, Inc. and/or its affiliates (“Regal”) with respect to the use of products and components is given in good faith and without charge, and Regal assumes no obligation or liability for the advice given, or results obtained, all such advice and review being given and accepted at customer’s risk.

For a copy of our Standard Terms and Conditions of Sale, please visit http://www.regalbeloit.com (please see link at bottom of page to “Standard Terms and Conditions of Sale”). These terms and conditions of sale, disclaimers and limitations of liability apply to any person who may buy, acquire or use a Regal product referred to herein, including any person who buys from a licensed distributor of these branded products.
